Class

FRESHMEN - 1979-1980

Our Freshmen year was so exciting. We were finally on our own. Completing our float was another story. We barely finished on time. We thought it would be so easy to complete, we had a lot to learn. Mariah Hyson represented our class as Lady-In-Waiting. Remember how great it felt to finally have our own section in the gymnasium. Our class had great spirit and we were all becoming fast friends. We had three more years at Turners Falls High School to look forward to. The activities of our Freshmen year are just the beginning of the rest of our years at Turners Falls High. One down - Three to go!

SOPHOMORES - 1980-1981

This year brought the excitement of getting our class rings. Remember the hassle we got from the ring man. We had a terrible time finding an advisor, but we always came through in the end. Our float, Rub-A-Dub-Dub, placed second, that made our Booster Day. Tami Zewinski represented our class as Dutchess. This year was a good money making year for us. We had a spaghetti supper that turned out great and a car wash that was really fun, and who could forget the trip to Ipswich with Mrs. Neville. We're half way there Two down - Two to go!!

History

JUNIORS - 1981-1982

This year began raising money for the Prom. We sold candy bars, jewelry, and we had a raffle. The prom was not quite what we expected and we had money left over, so we planned a class trip. Hampton Beach was rainy that day but we had fun anyway. Stephanie Wallitis represented our class as Princess. Our float, Super Indian, was not the best but there was always next year. During our Junior year our class seemed to grow apart. The "Square Wars" had begun, but a cease fire was soon to be declared. Three down - One to go!!!

SENIORS - 1982-1983

We finally made it although we had our problems. Our lockers were pushed way down to the end of the Senior Hall and our privileges couldn't come too quickly. No one was really satisfied with their senior picture. Stephanie Watroba represented our class as Booster Day Queen and our terrific float, Donald Duck, won first place! We finally got together and made a great float. The square wars have ended and our class has started to become just that, a class. We have started to realize each other as people and not as what we appear to be on the outside. We have had our problems through the years but as a class we have learned to resolve them. None of us will ever forget our High School years at Turners Falls High. We have had our share of good times and bad times. Here's to you CLASS OF '83'. Four down - Best of Luck!!!!

REMEMBER . . .

finally getting our own section in the gym for rallies red, white and blues
when one bus got a flat tire on the way to Ipswich with Mrs. Neville getting drenched in Booster Day '80
having to wait to get our class rings
dressing up for Hannah on Halloween
the feeling when Turners beat Greenfield in Turkey Day '81
our Junior Prom??? the Spring Fling???
the Square Wars
all of the broken test tubes in Chemistry
taking the SAT's
downhill skiing with Mrs. Loomer
the continuing success of our field hockey team???????
finally getting our SENIOR Privileges
all of our "great" fundraising ideas that flopped
when, for the first time, we built a first place float
our one great success — Senior Slave Day

While you may not think of the town of Greenfield as being world renowned, it is because for over 108 years thread cutting tools and gages have been shipped around the world with the word "Greenfield" imprinted on them.

We are very proud of this fact as it is the high quality of Greenfield tools that has enabled us to make the world GTD's customers. But more importantly, we are proud of the people who make these tools. For over five generations people in this area have been demonstrating their skills by producing a line of thread cutting and gaging tools that are the finest in the world.
